ABOUT ME

3rd-year B.Tech undergraduate with a passion for software engineering. Experience on **MERN** Stack technologies such as **React**, **Nodejs** and also in **Generative AI**. Good proficiency in **Algorithms**, **Data Structures**, **AI & ML**, and more. **Currently working as an Intern** with Mindz Konnected.

SKILLS

Languages : Html, CSS, JavaScript, C++, Java, Python
Frameworks: Langchain, Flask, Express.js, React.js, Nodejs, Firebase
Database: MySQL , MongoDB , Pinecone , ChromaDb
Model : Large Language Model(LLM)
Repository Tools: GitHub, GitLab
Other Tools: Jupyter Notebooks, SublimeText, VS Code
Verbal Languages: English, German - A1 and A2 Level proficiency

EXPERIENCE

Intern | Mindz Konnected Mar 2024 - Present
Project: **chatBot**

- Developed a **Chatbot platform** where users can chat with bot on the defined context given by the user.
- Implemented the **Large Language Model solution** to generate responses based on data stored in a **vector database**.

Intern | Mindz Konnected Aug 2023 - Oct 2023
Project : **newHoddy**

- Created the user authentication flow using **OAuth 2.0** for our application.
- Integrated the zoho **mail delivery system** to send latest news letters to subscribed users.
- Improved the application by addressing & fixing open issues.

SIDE PROJECTS

Project : Pdf Chatbot

- **Designed & Developed a PDF chatbot** using Langchain LLM in Python.
- It enhances **document processing efficiency** and user experience, ensuring accurate interpretation of user queries and extraction of relevant information from PDF documents.
- Collaborated with **cross-functional teams** to seamlessly integrate the chatbot into existing systems and workflows.
- Conducting rigorous testing to ensure product quality, accuracy and reliability.

Project: MCQ-Generator

- **Engineered an MCQ** (Multiple Choice Questions) **auto generator** based on given context by user.
- Capable of generating questions on various parameters like difficulty level, number of questions etc.

SPORTS

Captain of the College Tennis Team currently ranked **3rd** in the university.

Active member of **Udaan Sports Club** MAIT.

Runner-up in **District level Tennis competition** 2018.

Represented school & college in district level tournaments during 2018 - 2023.

EDUCATION

Maharaja Agrasen Institute of Technology

2021 - 2025

BTech - Information Technology

CGPA: 8.3

Abhinav Public School, Pitampura, Delhi

2018 - 2020

Grade: XII

86%

Delhi Public School, Greater Noida

2012 - 2018

Grade: X

91%
